Aldwickbury Park Golf Club members give global adventurers perfect send off

(Aldwickbury Golf Club, Harpenden – December, 2008) Aldwickbury Park Golf Club members raised over £500 to give two teenage explorers the perfect parting gift as they set off on a six-month global expedition.

Aldwickbury Park employees Emma Creighton and Laura Slough, both 19, departed for a round the world trip of a lifetime with extra funds thanks to the kind-heartedness of the golfers they served.

Starting in Thailand the friends will then move on to Australia, New Zealand, Fiji, the USA and then South America, all in the space of six months.

Emma, who lives in Harpenden and attended St Georges School, said: “We could not believe how much money had been raised for our leaving fund. We cannot thank the members enough, we really enjoyed working at Aldwickbury Park and will really miss everyone there.”

Former Sir John Lawes School pupil Laura, who lives in Wheathampsted, added: “We’re extremely grateful to the members for their donations which have really helped our budgets. We’re looking forward to visiting some amazing places, especially Fiji as we’ve been told it’s a beautiful country.”

Tristan Hall, General Manager at Aldwickbury Park, said: “Emma and Laura have been terrific in the time they’ve worked at Aldwickbury Park and were well loved by the members who were extremely sad to see them go. To raise the amount of money they did for the girls is a fantastic achievement. Everyone at the club would like to wish both Emma and Laura all the best on their tour of the globe.”
