1. Matters arising from Last Meeting

White Board: We now have a new white board and it has been used for a number of competitions

T V Screen: The club is considering the installation of a new TV screen which would be able to be displayed at a higher level

White Tees: Scott has been told to ensure that white tees are on the competition tees, but this is still not happening in some cases.

Showers: The club had replaced the shower curtains and heads. Still awaiting the acid cleaning

Rules Evening: The Captain thanked all those involved in the evening which was a great success, especially Sheila and Robin. There had been an attendance of about 50 at the evening

2. Course Matters

Bunkers: It was noted that there appeared to be an inconsistency in the treatment of bunkers and a lack of communication about which bunkers were GUR .The Captain would raise with the management the suggestion that when all bunkers were out of play a clear sign be displayed at the club house to that effect, and when individual bunkers were out, the club purchase some proper signs informing members of that fact

150 yd Markers: The club had still to take action to improve the 150 yd markers many of which had become dislodged

9th Fairway: It was noted there was a major leak on the approach to the 9th green which was becoming waterlogged.

Internal Out of Bounds: The club had not indicated yet whether they would take any action on internal out of bounds (12/13th)

Signage : Some incidents had happened recently indicating that visitors are having difficulty finding their way from green to tee , specifically 1st to 2nd, 2nd to 3rd ,10th to 11th .There were some signs previously but many had disappeared . Also, we need to replace signs re young trees in the plantations 12/13 and 15/16.

3. Mixed Competitions

The captain thanked the ladies for assisting Clive Roberts in the organisation of Mixed Competitions and it was noted that they would be organising this year's turkey trot.

4. New Booking Procedures

It was noted that the new booking procedure appeared to have been introduced without too much difficulty, and it was further noted that the new internet booking facility would be available in 6 months time

5. Competition Manual

This was now complete with great thanks to Maureen Everett and Terry Turner

6. Security

7 new cameras were due shortly which would greatly improve security

7. Any Other Business

A proposal to re arrange monthly Stableford competitions for next year was discussed and it was agreed to discuss the matter first at the Gent's Committee

8. Date of next Meeting

The next meeting would be at 3.30 pm on the 6th December
