MEMBERS' COMMITTEE MEETING- Thursday 3rd April 2008

**Present: J Hunter , Pat Styles, Sue Penhale, T Fox, D Habershon
Maureen Everett, P Spiers**

*Action items underlined

1. Apologies for absence None necessary

2. Minutes of the last meeting The minutes of the meeting held on the 29th of January were approved

3. Matters Arising

2nd Trolley ramp through hedge on 13th- now available towards left end, not hard path

Updated furniture in lounge- under review currently

PSI screen into foyer side of wall- agreed by management(still needs thinking through)

New members notification- has been provided to both Captains. PS asked for copy

Clubhouse flag- agreed that Gents section could purchase a new flag

4. Handicap Issues

The new CONGU rules were the main topic of conversation. It was agreed that **the Gents and Ladies would exchange their respective summaries** produced following visits to presentations earlier in the year. JH/ME

ME mentioned that it was not at all clear about the application of ladies equalisation shots in mixed events. It was agreed to leave things as they are for now, but to review asap. This means fully understanding the CONGU ruling in Appendix O, section 2-Stableford competitions.(VERY complicated !!)

5. Course Issues

A. Path definition(SP) – management were not able to provide a full mapping of the course with all paths defined and marked. It was agreed that reference to the card's local rules should suffice when in doubt.

B. Yardage reduction noticed on the 10th and 4th plus total over whole course greater than 100yds. **Management to be asked about this.**

C. Tractor tracks appearing between 7th fairway and 8th fairway towards the green keepers huts. **Can this be avoided etc.**

D. **Can there be an extra O/B post behind the 9th green- near the path.**

E. School children are continuing to use the club driveway and are regularly seen cycling or scooting not under parental control and are a hazard to themselves(when members are driving along) **Management to be asked to comment.**

6. Clubhouse Matters

Can the ladies have shoe boxes under their benches in the changing room(as per the Gents)

Showers- often the soap dispensers are not filled- sometimes when matches are played
Can these be checked more regularly, and what is view of refurbishment.

Ladies Toilets- Now have ceramic tiles, which precludes spikes. This is inconvenient when ladies wish to use the facility when half-way round course, as there is only one toilet in the changing room. **Can this be addressed.**

Visitors dress code- remains a constant issue. **Management opinion?**

First-aider- does the club have an assigned first-aider?

7. Competitions and events

a) Clash of Ryder Cup, Burhill Challenge and Redbourn Team Challenge. (Sep 14,21)

JH explained that the Ryder Cup competition was placed on Sep 14(official Ryder Cup last day is 21st) due to collision with the other two events. As the Ryder Cup this year is in USA, this would not be an issue for being in the clubhouse as the event closes.

b) Combination Cup – had been moved to May 31. JH to see if it can be moved again to May 17th to allow Ladies to not collide with their Medal.

8. AOB

It was noted that the Burhill Staff vs APGC members match will be at 12.04 on the 18th April

Date of the next Meeting Will be Thursday 12th June, 5.00 pm
