#### **4. Handicap Issues**

As planned, a meeting was held in December involving both gents and ladies handicap committees. The meeting did not completely cover all items but there remains no major issues of difference between the two committees. It was agreed that further meetings need not be scheduled unless for a major issue and then via the Captains.

Greensomes handicapping calculation- it was agreed to follow the lead of the Bader Cup ( National competition ) and continue to use ½ combined.

ME pointed out a new proposal in the CONGU book- instead of adding equalisation shots to Ladies, that these could be subtracted from the Men's. This was not thought to be applicable, but it was agreed we should check into this and report back.

## 5. Supplementary Scores and Club Qualifiers

ME had pointed out that this was now a mandatory facility for clubs to offer their members. It allows members, under certain conditions, to play supplementary rounds to other 'qualifying' rounds they may have completed FOR THE PURPOSES OF HANDICAP ADJUSTMENT. It is not meant to and will not operate as a means to supplement the list of 'qualifiers for competition purposes' – see attached.

## 6. Course Issues

Both the gents and ladies were agreed that the course is in remarkable condition given the recent weather conditions- other clubs have closed their courses in recent weeks.

**Management to be asked if they can provide a second 'trolley ramp'** at the hedge on the 13<sup>th</sup>.

## 7. Clubhouse Matters

Management to be reminded again that members would like to see new chairs in the lounge.

Management also to be asked again if the PSI screen could be moved to the other side of the wall( therefore in the foyer )

## 8. AOB

**PSp asked** if it was known yet about a new clubhouse flag and also about new handicap boards. **To be raised at captain's committee.**

**PSt asked** for committees vie of sponsoring a team for a BA charity event. It was thought this would have to be done by individuals.

**PK informed** the committee that the Herts GU will be assessing ALL Herts clubs for SS

**ME asked** what the committee thought about the Railes Trophy cancellation. It had already been decided not to replace it this year, **but management to be asked for their views.**

**Combination Cup** Conflicts with CBL match on 24/5. **Needs to be moved.**  
RL was attending his last Member's Committee meeting and he was warmly thanked by the Captain and the committee for all his support over the previous years.
